

Dear colleagues,  
  
we would like to invite you to our

3<sup>rd</sup> Munich Symposium on Fetal Cardiology

It will take place from November 24<sup>th</sup> to November 26<sup>th</sup> 2017 at the German Heart Center Munich, Lazarettstr. 36, 80636 Munich and will include a hands-on course.

The symposium will be devoted to the complex field of fetal cardiac disease.  
Topics are: cardiometabolic diseases, grown-up congenital heart disease, extracardiac anomalies, fetal aortic stenosis, reproductive medicine and rheumatologic disorders in pregnancy.

By participation in the complete program a certification „Abschlusskurs Fetale Echokardiographie“ can be achieved according to DEGUM criteria. Top experts from Europe, the U.S. and Canada will discuss the topics. We are looking forward to meet you in Munich.
